

GDPR is coming

News

Work is well underway to ensure that NECA complies with the General Data Protection Requirements. Whilst aspects of the GDPR are new, many of the requirements build upon the existing legislative framework and therefore compliance with the current Laws will go a long way towards compliance with the GDPR.

A very brief summary sheet has been attached to this email for you information. This will also be uploaded to the staff intranet site.

New Mandatory Training

The Information Handling internal training course has been updated to reflect the GDPR. All staff will be required to attend this training.

4 sessions will take place:

Darlington

Tuesday 22nd May
9.30am - 12.30pm
1.00pm - 4.00pm

Headquarters

Thursday 24th May
9.30am - 12.30pm
1.00pm - 4.00pm

Please submit a training request form to book a place

NECA's Data Protection Officer (DPO)

NECA is not an organisation that is required to appoint a DPO under the regulations however we have decided to do so voluntarily.

NECA's Data Protection Officer is: Keith McIntyre, Quality Assurance Manager
