

NECA GAMBLING SERVICE

Join NECA: Make a Difference in Lives Impacted by Gambling Harms

For 50 years, NECA has been transforming lives and strengthening communities across the region. As a registered charity, we have helped thousands achieve long-term recovery from substance misuse and gambling harms.

For over 30 years, NECA has been the leading provider of gambling services in the North East and Yorkshire regions. Our expertise in tackling gambling harms is unmatched, with services that include education, advice, and tailored support.

Brief Description of our frontline roles within the staff team working across the North East Region:

Community Engagement & Development Lead

Empower communities by delivering training, raising awareness of gambling harms, and building networks of support through campaigns, events, and partnerships across the North East region.

Gambling Engagement Practitioner

Combines community outreach with direct support, delivering training, raising awareness, and providing tailored interventions to individuals affected by gambling harms.
